Start of proposed CWS boardwalk

Proposed pond area, planting to be carried out by others.

Focal tree avenue linking store building to surrounding footpath links.

Proposed boundary with ornamental planting to fuel station and native planting to provide screening to road/swale.

Swale to be retained, embankments to be made good where appropriate.

Proposed boundary fence 450mm high, timber knee rail.

Feature ornamental planting with feature trees to create focal entrance.

Existing boundary planting retained to provide green links externally to site.

Re-inforced boundary definition with native hedge and ground cover planting to provide screening to retaining wall.

Ornamental planting to create screening to service yard, and enhanced boundary definition to store site.
